Rules to Enlighten the Mind with the Prophetic Mindsets

Level 1	Level 2	Level 3	Level 4	Level 5	Level 6	Level 7	Level 8	Level 9
Acting on good thoughts	**Deepening the Presence of Allah ﷻ through His Names and Attributes**	**Benefiting from developing a good opinion of others**	**Benefiting from seeing the defects of others**	**Seeing the deeper wisdom behind bad traits**	**Mindsets to benefit in the day**	**Mindsets to benefit through the 24 hours**	**Mindset to beautify all interactions**	**Serving the creation without expectation**
Encourage and act on every good thought that comes to mind: act on it or make a plan to act on it. A good thought is like a guest: the more you entertain it, the more it visits.	Each day select seven Names of Allah ﷻ, and refresh His Presence through them, e.g. for guidance: Allah is watching me (Ar-Raqīb), hearing me (As-Samīʿ) and guiding me with wisdom (Al-Ḥakīm). For peace: He is near (Al-Qarīb), seeing me (Al-Baṣīr), the Source of Peace (As-Salām).	With every person you meet, recall at least 3 good qualities they have, focus on them, and ask: "How can I develop and increase this quality in myself?"	When you see a bad quality in someone, ask: "How do I make sure I do not have this bad quality and fall into the same mistake?" Direct any negative feeling at the sin, not the sinner.	Every bad quality is a good quality misused by Shayṭān. Ask: "Do I have this same quality, but am I misusing it towards evil?" Then encourage others to redirect the same quality towards Allah ﷻ.	After Fajr: pleasing Allah ﷻ in a way you never have before. After Ẓuhr: creating ease for everyone you meet. After ʿAṣr: asking Allah ﷻ to send you someone whose need you can fulfil.	In addition to Level 6. After Maghrib: thank everyone who did you any good. After ʿIshāʾ: forgive everyone who wronged you, and seek forgiveness. At Tahajjud: donate all your good deeds of the day to the Ummah and humanity.	Whenever you interact with anyone or anything, leave it more beautiful than before, by bringing benefit or by giving up your own rights. E.g. tidy your bed and leave a pleasant fragrance for when you return.	Remove all expectations of goodness from the creation and place them in Allah ﷻ alone. Any goodness from people then feels like a great blessing, and harm from them cannot break your heart.
